Using your My-Trak WPT250

The WPT has a pre-installed Pay As You Go SIM card (PAYG) provided by O2.

My-Trak WPT250 operates with the My-Trak LIVE web tracking service. To register and set up your WPT250 visit **www.my-trak.co.uk** where you will also find full information of the many different functions of your unit plus instructions on how to get the most out of your My-Trak WPT250.

Once My-Trak registration has been completed you will need to also register the SIM card with O2. Please follow the registration instructions on the My-Trak website to activate your O2 SIM Card.

O2 Terms & Conditions will apply to usage as published on the O2 website. see: **www.o2.co.uk**

NOTE: Unused credit on the SIM card will expire after 45 days.

Installation kit (optional, NOT included)

An installation kit is available, comprising of a 12/24v DC hardware lead and extension GPS antenna. These components allow the device to be installed into a vehicle.

Hardwire connections
Black/Red wire (with fuse) connect to 12/24v +ve supply (permanent)
Black wire connect to -ve.

GPS antenna
Remove the cover from the rear of the WPT250 unit and connect the GPS antenna.

DO NOT position the GPS antenna or WPT250 below ANY metal surfaces as this will restrict GSM and GPS reception.

Contact the sales department on 01928 579579 for pricing and availability.
